Report of Investigation.

object of the control actions between the New Haven and its subsidiary, the New England Navigawitness, James D. Brown, an examiner of accounts of the commission of accounts of the commission. In response to inquiries by Mr. Folk, Mr. Brown said he had made an investigation of the books of the New Haven and of the New England Navigation Company, finding that the navigation company, in June, 1911, had borrowed from the New Haven \$2,625,000 on its demand note, and June 12, 1912, had borrowed \$2,000,000, also from the New Haven, on its demand note.

"What did it do with this money?" inquired Mr. Folk.

"It loaned 8100,000 to the Hartford and New York railroad, on the latter's demand note; \$25,000 to the Housatonic Power Company on its demand note, and \$346,143 to other of its subsidiaries, which later it received back in the form of dividends from those commands. It then raid dends from those companies. It then paid to the New Haven large sums in divi-dends."

was, then, that the New Haven loaned Company, with which to pay that company's dividends to the New Haven? suggested Mr. Folk.

actions," Mr. Brown replied. The same sort of transactions-"manip were gone through with in the early summer of 1912. It amounted, according to the testimony, of changing money from one pocket to another, with the result only of making a showing of "book divi-

Mr. Brown further said that last De Mr. Brown further said that last December one obligation of the New Eng-gland Navigation Company to the New Hayen for \$2,00,000, and another for \$2,00,000, "remained unpaid."
"Then the entire result of these transactions," said Mr. Folk, "was to enable the New England Navigation Company and its subsidiaries to make a showing of paying dividends, the money with which to pay them being New Haven money."

"That is the situation," replied Mr. Brown was shown an audited ac Mr. Brown was shown an audited account of expenditures made by the New Haven road between July 1, 1912, and December 1, 1913, covering payments to legislative counsel, agents, lobbyists or others for work in connection with legislation, to the extent of \$40,117.30; legal services, other than sums paid to regular counsel, \$238,873.91, and for advertising and other publicity \$370,588.31.

Mr. Brown said he had gone over the books covering these payments and the
